BESPOKE PRICING

Limited to just three builds per year, our bespoke vehicles include all our standard specifications, with optional extras available at an additional cost. They offer complete freedom to tailor a vehicle around individual lifestyles and requirements that fall outside our Beyond range.

Mercedes-Benz 417 Van L3H2 PRO RWD - Starting from £156,000

Mercedes-Benz 419 Van L3H2 PRO AWD - Starting from £162,000

Mercedes-Benz used approved chassis* - Not available for Bespoke range

* Used approved chassis is only available in RWD & 315 variant.
Used approved chassis is usually 1-3 years old and between 10,000-40,000 miles.
Used approved chassis comes with a 12-24 Mercedes-Benz used approved warranty.
Used approved chassis can only have a maximum Gross Vehicle Weight (GVW) of 3,900kg (compared to 4,400kg on a new chassis).
Approved used chassis will be supplied with air conditioning, cruise control, black cloth upholstery, a captain's driver's seat and a dual passenger seat. As these are used chassis, they will be supplied to a commercial vehicle specification and will not include the features listed under "Standard Specifications".
Super Pacific CloudCap™ is not available for used approved chassis.
